

QUALITY  
COLLEGE  
of AUSTRALIA

## Quality College of Australia (QCA)

### Premium Industry Partner Agreement

As one of Australia's leading providers of Hospitality Training, and in particular cookery training, our students and graduates have always been sought after. Recently however, given the chronic staff shortages, we have not been able to supply our employers with enough students and graduates to fill demand.

Whilst our student numbers are set to increase, it is still unlikely that we will have enough students and graduates to fill this demand. As such, we are offering our valued industry partners to get to the front of the queue, by becoming a 'Premium Industry Partner'. The bonus of being a 'Premium Industry Partner', is there is absolutely no charge for this service.

#### ***As a Premium Industry Partner, you will be:***

- ✓ Featured on our Website
- ✓ Featured on our social media platforms
- ✓ Able to attend week one of every course (where applicable) to interview suitable candidates
- ✓ Able to advertise on our Facebook page (free of charge)
- ✓ Able to contact one of our QCA Placement Co-ordinator's for candidate referrals
- ✓ Access students for unpaid work experience placements (Domestic students only)

#### ***Agreement***

- We agree to be featured on the QCA Website and Past and Present students Facebook page
- We will offer, when applicable, paid internship positions
- We give QCA permission to use our business name and logo for QCA Website and social media platforms
