

Quality College of Australia (QCA)

Holistic Industry Partner Agreement

As one of Australia's leading providers of Hospitality Training, and in particular Front of House training, our students and graduates have always been sought after. Recently however, given the chronic staff shortages, we have not been able to supply our employers with enough students and graduates to fill demand.

Whilst our student numbers are set to increase, it is still unlikely that we will have enough students and graduates to fill this demand. As such, we are offering our valued industry partners to get to the front of the queue, by becoming a 'Holistic Industry Partner'. The bonus of being a 'Holistic Industry Partner, is there is absolutely no charge for this service.

As a 'Holistic Industry Partner, you will be:

- ✓ Featured on our Website
- ✓ Featured on our social media platforms
- ✓ Able to attend week one of every course (where applicable) to interview suitable candidates
- ✓ Able to advertise on our Facebook page (free of charge)
- ✓ Able to contact one of our QCA Placement Co-ordinator's for candidate referrals
- Access students for unpaid work experience placements (Domestic students only)
